COVID update

Some of us are beginning to hear of people (family, friends, near and far) who have tested positive for COVID, or who are currently feeling unwell with a sore throat and maybe 'cold' or flu symptoms which are not necessarily COVID. Remember to stay home if you are unwell, or you are a close contact of someone unwell, and get tested for COVID.

At the club, please wear your mask if in close proximity to others especially in crowded areas unless you are eating or drinking, or outside playing bowls.

Physical distancing and ventilation are things we should consider when inside the pavilion. Being considerate is very important at all times.

Otherwise, we hope you will keep doing the things you enjoy, carefully!

Avonhead Shopping Mall Vouchers - Reminder

Twenty one players have won Avonhead Shopping Mall vouchers so far this season. There are still four more to be won. These vouchers can be redeemed at any shop in the Mall and many winners have already done so.

The vouchers must be used by the end of March. If you have one which you framed and hung above the heat pump or left conspicuously on the coffee table for friends and family to admire, get down to Merrin Street with your voucher (they don't need the frame) before 30 March to choose your prize! *I know there are 31 days in March* – don't leave it to the last day.

We are very grateful to Avonhead Shopping Mall for its sponsorship of our **Saturday afternoon bowls events** and to **Alan Bryce** for his work and success in seeking out this and other sponsorships.

Umpire's Corner

Question (LXXXVII)

Player 'A' drives at the jack in an attempt to kill the end. The bowl strikes the jack which then comes into contact with an opponent's foot. What should happen?

Answer: The opposing skip should choose whether to:-

- place the jack where the skip believes it would have come to rest and replace any part of the head disturbed by the displaced jack, or
- declare the end dead (Law 38.1.2)

Question (LXXXVIII)

What is foot-faulting?

What are the umpire's powers if foot-faulting occurs?

Note: **David Conroy** is looking for a fellow **cruciverbalist** with whom to share his UK Telegraph subscription. Free to first to contact **021 069 2625**

Remembering...

Alistair Brown

From Lloyd Ewan.

A few words about the late Alistair Brown who passed away last weekend after a period of poor health aged 81.

Alistair joined The Burnside Bowling Club in 1991 along with 26 other men. He moved to Silverstream Retirement village with his late wife Laraine about 10 years ago and eventually joined Morrison Ave Bowling Club.

Alistair, known as "Brownie" was well known in our club, a bit of a character but well liked. He was a good bowler. He was club Colts Champion in 1993-4 season. Also in a Club Fours team that won the championship 2010-11 season.

A good club man and a good friend to many. I along with Peter Doell and Phil Sullivan walked the Milford and Routeburn Tracks in 1992 and 1994. also went on a few fishing trips. He sadly struggled after his dear wife Laraine passed away 18 months ago. He suffered a fall last year which meant going into full care.

R.I.P. Alistair.

June Andrews

June reached the remarkable age of 97years. Two years ago when she was 95, she was still driving her car, and playing some indoor and outdoor bowls at Diana Isaac Retirement Village. June was a member at Burnside for 42 years, she had 3 Championship titles. Her funeral is at **10am, tomorrow (Thurs)** at John Rhind.
