## Farewell

We have been advised **Murray Croy** passed away yesterday evening (18<sup>th</sup> May) at Park Lane after a long illness.

The family plan a **Private Funeral**, but there may be a small celebration for Murray at the Club at some time in the future.

Meantime, we send our condolences to Leonie and family, and Murray's good mate, Lou Dent.

We remember Murray as a good bloke who grew great vegetable plants to share. He got along with everyone, loved playing bowls, and continued to play even when his body hurt.

Now at peace.

### The Missing Bowls Canterbury Trophy

With great relief we returned the **Bisman Bodger Plate** to Bowls Canterbury. It was hiding behind the Club downstairs kitchen door, on its side, and it looks like it needs TLC to restore any silver plating. No wonder it wasn't easy to spot!

It had been won by our **Burnside 2 Men's Sevens Team**.

### Bowls Canterbury Awards Evening –

If you want a **ticket** to attend, contact **Bowls Canterbury** directly to book and pay (\$50) for your ticket at a Burnside Table. The event will be held from **4:00pm** on **Sunday 29<sup>th</sup> May** upstairs at the **Hornby Working Men's Club**.

If you were in an Interclub team or Centre competition and won your event, or if you just want to support your fellow members, then **Meg 03 351 2050** needs to know the **numbers attending** before **Monday 23<sup>rd</sup> May**.

## The Fashion Show, 12<sup>th</sup> May 2022

**Sharyn Pryde** had a great idea and suggested holding a Fashion Parade. A team of helpers got in behind the project, we sold **65 tickets**, organised food, drink, music and the parade was held last Thursday.

Models, helpers and guests all enjoyed the evening, inspired seeing the **Autumn/Winter** clothing options, and having a light hearted night out after COVID restrictions. Thank you to everyone involved for making it a success.

The Manager and staff from **Caroline Eve** were delighted when many attendees turned up at the **Bush Inn Store** the next day to go shopping.

## Closing Day, 14<sup>th</sup> May 2022

**Ken Wilson-Pyne** had **81 members** keen to play but it rained, and rained, and the bowls were called off! Thank you Ken for all the organising of bowling events you have done for the club this season. The President's Trophy is back in the cabinet until next year. The **greens are now closed** until some time in **September**.

By 4pm that day, **72 members** were in the Lounge to take part in the **Special General Meeting**, fundraising for **Dementia Canterbury** and the trophy presentations (see list later). The Mayor, **Lianne Dalziel**, and then from **Lee Andrews**, Dementia Canterbury each spoke for a few minutes before mingling and chatting.

Burnside raised and donated **\$718.00** for the President's chosen charity. **Dementia Canterbury** emailed, 'What a great fundraising effort, we rely very heavily on donations etc to provide our free support services so **thank you all** very much'.

The **trophies** were presented by Life Members, **Ken Wilson-Pyne**, **Russell Cockroft** and **Murray Harper**. **Arjan Van Hasselt** has all this seasons awards on our **website**, (Honours Board), along with photos from the events this week.

The Special General Meeting Minutes are on the website but the outcome was that both **amendments** to the Constitution were passed unanimously.

Our Secretary, **Jill**, will give notice and information next week regarding the business and items for the **Annual General Meeting** which will be held at **2:00pm** on **Sunday 26<sup>th</sup> June 2022**.

## Bar Roster

Here is the roster for the week ending 27<sup>th</sup> May 2022

## Gotcha...

With the assistance of the **security cameras** we were able to give the Police a clear photo of the **“woman of interest”** from the incident at the **March Medley**. The alleged **offender** is in **custody** on other matters. The Burnside incident will be added to the **list of charges**.

## Umpire’s Corner

### Question (XCVII)

After seven ends of a Pairs game the players **cannot agree** on the score. The **skip** in **team ‘A’** and the **lead** in **team ‘B’** have been keeping the scorecards. They call for the umpire. How should the umpire handle the problem?

**Answer:**

Try to resolve the problem by **going through** the **cards** (and **scoreboard**) with each skip to identify where any discrepancies occur. When the discrepancies have been identified, try to get the **skips to agree** how to resolve them. (NB. Either both skips or both leads should have been keeping the score card) (Laws 40.1.7, 40.1.9)

If the above situation could not be resolved, it would be usual for the umpire to accept the skip’s card in favour of the lead’s card.

In a Centre competition where only one card is provided, **one skip should mark the card** and the **other the scoreboard**. Once the card has been signed by both skips, that is the result the umpire records. Good reason not to allow the opposition to squiggle for you!

**Caveat** – always **check** the card with the scoreboard **before** signing – **AND BEFORE ERASING**. You have been warned!

### Question (XCVIII)

No umpire has been appointed by the Controlling Body for a game in which the two skips fail to agree on a point under dispute. What should happen?
