

Burnside Bowling Club Incorporated

Vaccination Certificate Policy

20th November 2021

Burnside Bowling Club prides itself on being an organisation that puts the health and safety of our community first by encouraging our members and staff to be vaccinated against COVID-19. It is important that we provide our staff, members (and visitors) with a safe community, in which they can play bowls and enjoy our company. A safe community is a COVID-19-free community, and currently the best protection against spreading COVID-19 is vaccination.

As a condition of entry to **Burnside Bowling Club** and events, **anyone** that enters our club, facilities or events aged 12 and over must:

Agree to provide, written or electronic evidence of their COVID-19 vaccination certificate/pass to a **Burnside Bowling Club designated representative, on request.**

Variations to this condition of entry:

- Evidence of a COVID-19 vaccination received other than in New Zealand will be accepted if the evidence is standard in the relevant country, and it has been accepted by the Ministry of Health.
- A vaccination exemption has been granted by the Ministry of Health.

Burnside Bowling Club reserves the right to restate its position as we learn and understand more about how New Zealand manages the fight against COVID-19 in our communities and workplaces.

Burnside Bowling Club will become a mandatory vaccination certificate site from 15 December 2021, or from when Canterbury first enters the Government's COVID-19 traffic light system, whichever occurs first.
