## Farewell John de Freitas

It is with **sadness** that we advise that **John de Freitas** passed away peacefully **at home** on **Saturday**. John was a highly **regarded** and **popular** club member.

He was also a valued **member** of the **Executive**, who made a **significant contribution** to the club during his time on it.

He was respected for his **measured approach** and **gentle manner**. He will be **missed at Burnside**. Our thoughts are with **Maggie and family**. Rest in peace, John.

A **Celebration** of John's Life will be held on **Tuesday 13<sup>th</sup> September** at **10am** at the **Lamb and Hayward Westpark Chapel** at **467 Wairakei Road**, Burnside.

## New Season

Our **first day** of bowling will be the **New Season Trophy** tournament on **Saturday, 17<sup>th</sup> September** starting at **1-00 pm**.

**New** and **old** players all welcome. See more about the format on page 4 and how to enter on page 5.

The **Hayman Trophy** is **postponed** to a later date.

Hopefully the greens and surrounds will be looking less snowy than on Monday.

## Saturday Afternoon Bowls: ready... steady... go

### New Season Trophy

- Date:** Saturday, 17<sup>th</sup> September starting at 1-00 pm.
- Entries:** By Friday 16<sup>th</sup> September at 5-00 pm. Sheets are in the men's and women's match rooms OR enter on line (see next page). Don't delay- late entries only if places are available!!
- Fee:** \$3.00 to go towards prizes.
- Register:** Tell us you have turned up. On the day in the **dining room** between **12-35pm and 12-50pm.**
- What:** **Festival Bowls Format**, mixed, club uniform preferred (if you haven't got one yet don't worry come anyway!)

### Festival Bowls Format

For our **new** members: Festival Bowls is a **relaxed, informal**, organised **competition** held on many **Saturday** afternoons under the direction of the wonderful **Ken Wilson-Pyne**. **Prizes** can sometimes reach the giddy heights of **\$15.00**.

#### Here is how it works.

All the **entries** are put into the **computer** which then (**thanks to AJ van Hasselt**) produces a **random draw** and a **playing card** for each player.

The card has your **playing number** and **position**, the **rinks** you will play on, the playing numbers of your **team mates** for each game (usually three), and room for you to enter your **results**. Sound complicated! Not at all. Once you go to your **first rink** and meet your first game **team mates** it will **all fall into place**. If unsure just ask someone and they will help you.

For the **New Season Trophy** we will play **four** games of **two bowl triples** of **5 ends** each game. During the afternoon you will play **with 8 different players** and **against 12 others**. If you are **new** to the Club you will have met **20 other members** by the end of the event and they will know you.

This is a **mixed** event which simply means it is designed for **all** Club members.

The **New Season Trophy 2022** will be awarded to the top scoring **Skip, Second** and **Lead**. There will also be several **other prizes**.

Any queries or worries please contact **Ken Wilson-Pyne 358 2457** or [kmwp@xtra.co.nz](mailto:kmwp@xtra.co.nz)

ONLY 10 DAYS TO GO.....

## Indoor Bowls

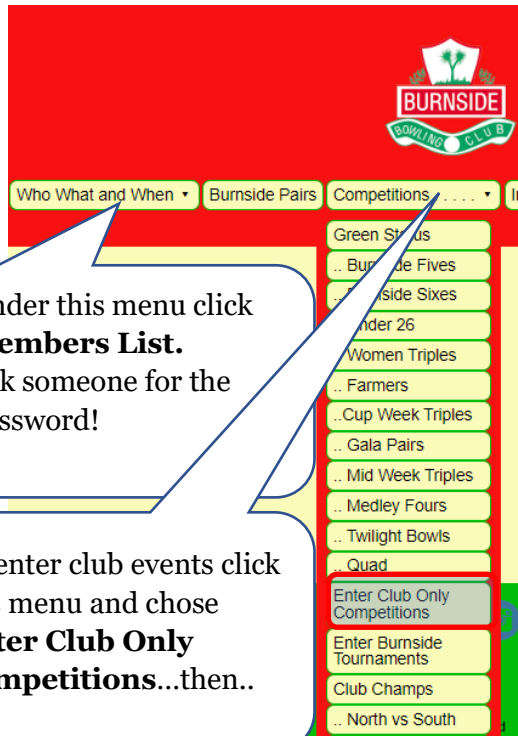

Indoor bowls continues next week. However on Friday will start at 12:30pm (please arrive by 12:15) and will end at 3:00pm as the dining room is required for a function. The lounge will be in use until 4:00pm so unfortunately no post bowls tippie until then 😞.

## Using the Web Site

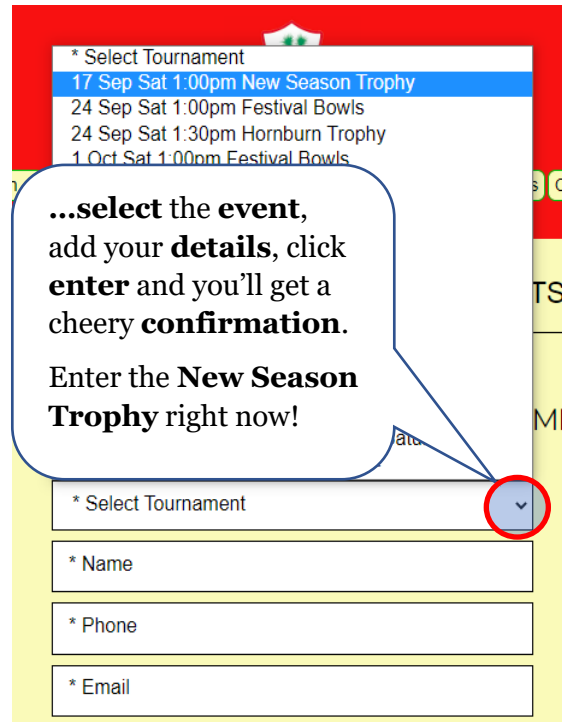

**A. J. Van Hasselt** does a great job maintaining our [club web site](#). Two of the many useful features are finding a **member's contact details** and **entering competitions**. For new members (and older ones!) here is a recap.

Start by clicking on the **link above**....

Under this menu click **Members List**. Ask someone for the password!

To enter club events click this menu and chose **Enter Club Only Competitions**...then..

...select the **event**, add your **details**, click **enter** and you'll get a cheery **confirmation**.

Enter the **New Season Trophy** right now!

## Bowls Tactics

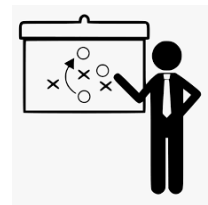

### Playing the opposition shot

This can be a **risky** but effective way to eliminate a dangerous situation.

They may have a **cluster of bowls** where a **trail** of the jack 1 meter will net them a **big score**.

You can try **playing their shot** but adding a **couple of metres**. This could scatter their **catchers** or maybe **move** the jack.

Best played when you have **2 more bowls** to go in case it all turns to **custard**.
