Farewell

Sadly, we lost another valued club member this week. **Gil Rowney** lived in the **Summerset** at **Avonhead** Retirement Village and unexpectedly **passed away** last Sunday 11th September.

Gil **joined** Burnside in **September 2020**. He was a keen **indoor bowler** and will be particularly missed by his indoor bowling friends. He will also be **remembered** as a member who was willing to **lend a helping hand** around the club.

A **celebration** of Gil's life will be held at **Lamb and Hayward's Westpark Chapel** on Wairakei Road **next Tuesday 20th September at 10:00am**.

- Wednesday 21st September
- Sunday 25th September

Some members have already **indicated** their **willingness to help**, but we still need **more volunteers** to help show potential **new members** around the **clubhouse** and help visitors **try their hand** at bowls. This can be quite **good fun**, and only requires a **couple of hours** from your day.

We need **two to three** volunteers **each day** for each of the three **time slots**, please.

Times are :

- 10:00am to 12 noon
- 12 noon to 1:30pm
- 1:30pm to 3:00pm

If **you can help**, please contact **Richard Mitchell** (e-mail rwmitchell@xtra.co.nz, or phone **021 225 8270**) and indicate at which date(s) and time(s) you could **assist**.

Your help will be **greatly appreciated**. A **final roster** and reminder will be **e-mailed** to volunteers on Sunday **18th September**.

The **selectors** are gearing up to pick our **inter club teams** for the **pre Christmas** events. If you have not already done so, and would like to be **considered** for a team **please** use [this link](#) (also on front page of website) to **indicate** your **preferences**.

Markers for Under 26 Singles

We are still looking for **markers** for the **U26 Singles** on the **7th 8th and 9th October**. We are particularly **short** on **Friday 7th**. If you can help, even just by **marking one game**, please click on [this link](#), or contact **Hamish Wilson** 027 333 4070.

Time: Starting at 1-30 pm

Entries: Close on Wednesday, 21st September at 10-00 am. . This means that teams can listed in next week's Hot Line.

There are four interclub friendlies played each season. Everyone who enters these events will play in at least one interclub friendly (and usually more) so don't be concerned if you miss out on the first one.

Festival Bowls

There will also be festival bowls for those who prefer this format and for those who miss out on the Hornburn Trophy match. In other words everyone who wants to play on Saturday afternoon can do so.

Time: Starting at 1:00pm

Entries: Close at 5:00pm on Friday, 23rd September.

Have you ever forgotten someone's name?

How often have you played with someone for **hours** (or even **years**) and then you **just can't recall their name**.

Life would be that much **easier** if we all had a nice clear easy to read **name badge**. Great for both **new** and **old** members.

To that end, as previously announced in Hotline #253, we are offering to have name badges **manufactured**. If more than **50 members** respond to this, we will receive a **10% discount** on prices.

Badges come with either a **pin** or **magnet** fastening. The magnet is quite strong so you might need to **keep it away** from devices such as a **pacemaker**, if you have one.

Prices:

Pin **\$13.50**

Magnet **\$15.00**

(before discount)

Persuade you friends to get one! Order two – an extra for your hat!

Just put your name on the **list in the men's match room**, or **e-mail Richard** rwmitchell@xtra.co.nz with subject "**Name Badge Order**" and list your **name** and **fastening type** (pin or magnet).

We have **extended** the closing date to **20th September** - place your order **now!**

Bowls Tactics

Jacks that have moved off the centre line

When a **jack** has **moved** from the **centre** of the green you need to make an **adjustment to your line**.

The **general rule** is to adjust your **aiming point** by **1/3 the distance** the **jack has moved**. E.g. If the **jack** has moved **1.5 m** off the centre line, then move your **aiming point** on the bank by **0.5m**.

As a **game progresses** the **wear** on the green around the **bank** and the **2m mark** will result in the **weed flattening** out. This makes this area **quicker** and the **bowls** will **turn more**.

When **drawing** to a **displaced jack** you will be going through an area that has **had no foot traffic**, it will be slightly slower and **won't draw as much**. This is always the case when the jack is displaced **on shorter ends**.

Invitation to hear Mayoral Candidates

Rotary President Denis Ashworth invites **bowling club members** to come and hear their **guest speakers** in the Burnside Bowling Club Lounge.
