Members' draw and raffle

Members' draw:

Every club member (including our non-playing members) will be **assigned a number**. These numbers will be published so everyone will know their number.

At **6:00pm on Friday nights**, starting on **30th September**, an automatic number selection programme will be run via laptop. If the **member whose number is drawn is not present** at the time of the draw, **the prize will jackpot**. The prize will be **\$25.00 cash** and will jackpot by **\$5.00 each week** (to a maximum of **\$200.00**).

If the **jackpot** reaches its **maximum** value, it will stay there for **five weeks**. If it is still **unclaimed by the fifth week**, on that fifth Friday, numbers will be **drawn** until a **member who is present** claims it. The following week, the **draw will start again** from \$25.00.

Cash Raffle

A cash raffle will also be run **each Friday night**. Tickets will be **\$1.00**. There will be **100 tickets**, and three **\$25.00 cash** prizes.

New Season Trophy

Two greens and **16 rinks** were fully utilised when **95 players** enjoyed warm temperatures under blue skies on true and evenly paced greens. The **New Season Trophy** was the prize and the format was **2-bowl triples, 4 games of 5 ends** each.

The **Festival Bowls** card system successfully mixed the teams and each player **played** with up to **20 others** during the afternoon. **Thanks AJ** for the **updated** programme. Well done!

The **Trophy** was presented to the **Skip, Second** and **Lead** with the best results, with prizes also for the best Skips, Seconds and Leads from **each green**. The **next 5 best scores** from either green won prizes as did 4 lucky, unlucky players. For most of the others the **tea/coffee on the run** was among their **highlights**.

A good afternoon of Bowls in pleasant conditions in good company!

Introducing

Over the **next few weeks** the Hotline will be **introducing** some of the **players who joined last year**. After Christmas we hope to persuade some of **this year's intake** to participate too.

John Liddy

After years of **driving past** the Burnside Bowling Club on my way to **work at the airport**, last year I took advantage of **the open days** to give bowls a go.

Absolutely loved it. Trying to commit to bowls proved difficult while **working rotating shifts**, so this year I've decided to **substantially retire** from work.

I intend to spend **more time** on the bowling green along with my other interests of **travelling, tramping, fishing** and **model railway**.

Good bowling everyone and I hope to meet a lot more of you as the season progresses.

Bar Roster

Here is the roster for the week ending 26th September 2022

Monday	26 th	Selwyn Manning	4:00pm to 6.00pm
Friday	30 th	Mike Weeks	4.30pm to 6.30pm
Saturday	1 st	Peter Quinn and Ray Sefton	4:00pm to 6:30pm

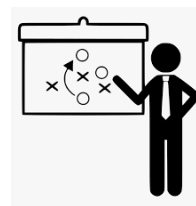

Bowls Tactics

What hand is the best hand

For **thirds** and **skips** the general rule is to **play toward your bowls** and **away from opposition** bowls. That means if you do move the jack, whether you're holding shot or not, you will be hitting it **toward your own bowl** so the shot can be played with **confidence**.

If a **skip already has the shot** and they are playing their last bowl, **think safety**. Play the hand where it's **nearly impossible** to give the shot away.

If you are on the head, **tell the bowler** why you are suggesting the hand. It **may be a difficult** shot but if there's **no danger** they will be more **confident** to give it a good go.
