## Spring Clean Time

Calling all **volunteers** – we would really, really, really **appreciate** your **help!**

On a recent walk around the club, we noted many areas of **accumulated “stuff”**. Some of this “stuff” may be of **historical significance** and we would appreciate it if members with **long memories** could attend to help us identify what is **worth keeping.....or not.**

### NO WINDOWS WILL NEED TO BE CLEANED!

They do say “**one person’s rubbish is another person’s treasure!**” We will have an **empty skip** just waiting to be filled with delights from the past. Some muscle might be required, but mostly it will be **sorting** and **cleaning** under the piles of accumulated dust

**Date:** Sunday October 2<sup>nd</sup>

**Time:** 10:00am

**Bring:** Your very able selves, a duster, cleaning cloths and a bucket.

**We will provide:**

**SCONES, JAM AND CREAM!**

Now --if that’s not tempting ----  
Let us know another way we can get you here!

**Jill and Kerrie**

## Protect “your” stuff

To avoid your **possessions** going in the **skip** please make sure everything is **in your locker**. Not on top or nearby. **Thanks!**

## Social Night

**This Friday 30<sup>th</sup> September, from 5:00pm, the Executive is hosting a lowkey, informal social get-together to acknowledge and celebrate the recent achievements and awards of Tayla Bruce and Kevin Smith.**

This will **coincide** with the **first** night of the **members' draw** (jackpot) and **raffle** at **6:00pm**.

Some **fish and chips** will be served after that. We look forward to seeing you all there.

## Members' Jackpot Draw

To **remind** you what is happening with the members' draw, **every club member** (including our non-playing members) will be **assigned a number**. These numbers will be published so everyone will know their number.

At **6:00pm** on **Friday** nights, starting **this week**, an automatic **number selection** programme will be run via laptop. If the member whose number is drawn is **not present** at the time of the draw, **the prize will jackpot**. The prize will be **\$25.00** cash and will jackpot by **\$5.00** each week (to a maximum of **\$200.00**).

If the **jackpot** reaches its **maximum** value, it will stay there for **five weeks**. If it is still unclaimed by the fifth week, on that **fifth Friday**, numbers will be **drawn** until a member **who is present claims it**. The following week, the draw will start again from \$25.00.

## Drills And Skills

These **valuable** and **fun** sessions, organised by **Pam Clark**, will be on **Tuesday 4<sup>th</sup> October** and **Tuesday 11<sup>th</sup> October** from **10.30am – 12:00pm**. They are for both **men and women**, new and old bowlers. This is an excellent way to **improve** your bowling skills, and enjoy **getting to know** people. **Thank you** to Pam for once again **organising** this programme.

## Wanted: Buddies

We have a number of **new members** and are looking for some **women** to help buddy them and make them **feel welcome**. If you are interested get in touch with **Richard Mitchell** 021 255 8270.

## Saturday Bowls

### Last Week : Hornburn Trophy Results

**Twenty two** Fours played 2 nine-end games in the Hornburn Trophy match on a chilly but dry afternoon. Overall **Burnside triumphed** for the **first** time in **four years**, 12 games to 8 with 2 drawn. Every Burnside team contributed to this tally but only **two** teams **won both** their games:

David Wilson, Lois Clarke, John Switalla, skipped by Peter Quinn  
Kevin Callaghan, Rod Kearney, Graham Rees skipped by Pat Bonham.

This was a very **enjoyable** contest, played with intent but in excellent spirit. We look forward to **next year's event** to be played at **Bowls Hornby**. A **full report** of this fixture is on the Burnside website under [News](#)

## Bowls Tactics

### A bowl has come to rest on the jack

If you are **down**, **accept** that you're not going to **get the shot back** with **1 bowl**. It's a 2 or even a 3 bowl plan.

- **Draw** a bowl **behind** if you haven't already got one.
- **Broaden** the **target**. Draw a bowl in close proximity. The perfect spot is **30cm short** and **30cm wide** of the jack
- Play a **weighted shot** aiming for your **wing** bowl. An inside or outside **edge** could **dislodge** the **jack** or the **toucher**. Hitting your **wing bowl square** could produce a result while a bowl **narrow** of the wing bowl may hit the **target directly**.

You shouldn't fall into the **trap** of trying to **dislodge** the touching bowl with **each** of your bowls. If you **miss**, your bowls will end up **out of position** and you may go down a number of shots.
