Saturdays in the Kitchen

Saturdays are very **busy days** at the club so we are asking **members** to **take a turn** helping with the tea, coffee and biscuits for the **morning** and the **afternoon** events each week. We often have **90 people** playing at Burnside in the **morning** and **another 90** in the afternoon.

The **Selectors** will nominate **two Duty Teams** playing at home on Saturdays. Details of what is involved in being a Duty Team is on **page 37** of your Programme Book and on the **notice boards** in the Match Rooms.

- The **Men's** team to set up on Saturday **morning**,
- The **Women's** team to tidy up and wash the dishes **before lunch** and **reset** for the afternoon.

For **those playing** in the afternoon, (or any time), you are **expected to take your turn** at helping with tea and coffee. If this works, it will be a **load shared** between many and it should all run smoothly!

Rinse the cups after use, use the **dishwasher** and please **check** all cups and mugs are **clean** before putting back on the tray or shelf. Leave the kitchen tidy and ready for the next event.

Drills and Skills

A wonderful turnout of **more than 30** men and women, new and old, for the drills and skills session on Tuesday morning.

Many thanks to **Pam Clark** and **Tracey Wilkinson** for valuable exercises and advice on playing different types of shot.

Note to Jamey:

We will need **two greens** next year!!!

Thanks Pam (and Tracey)

Changing of the (Bar) Guard

Derry Johnston and **David Wilson** are stepping down as bar managers. I'm sure we'd all like to **thank them** for all their cheerful input. A **huge job** well done.

Hamish Wilson and **Rod Kearney** are taking over as managers.

Pam Clarke will be carrying on providing (in her words) a woman's touch!

Thanks very much. David and Derry

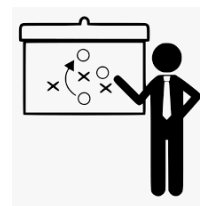

Bowls Tactics

Forcing Shots

Forcing shots need to be **practised** in **game** situations. You'll **miss plenty**, but with time they will be **very effective**.

Every bowl reacts **differently** due to their **configuration** and also your **delivery**. You need to know what **combination** of **speed** and **green** is required for different shots. You just have to **play a lot** of them to get the feel. A **wider** drawing bowl will **go around** short bowls, a **straighter** bowl might go **underneath** them.

Skips will often ask for a **2 metre** shot **through** the head to remove bowls. Take into account the **speed** of the **green**. Slower greens will need **more force**. You want the bowls you hit to be **removed** not **just moved** 1 metre.

Introducing members who joined us last year

Trevor Thornton

I enjoy biking the NZ trails and playing golf (where I seem to get scores I would rather get when I play Veterans cricket.)

In November I'm off to Launceston to play for the +70 Blackcaps in the Australian interstate cricket tournament.

Last year I walked over Mt Herbert to Akaroa and in August this year walked back.

Sports governance and a number of commercial Directorships, using my accounting background, help fill in my day.
