Programme Changes

Saturday 26th November: Hayman Trophy

The **Hayman Trophy** Drawing Competition, postponed in September, will now be held on Saturday 26th November starting at **1-30 pm**. As the Hayman Trophy is **designed for all Club members**, Festival Bowls will not be held on this afternoon.

In this competition you will **play** in a **group** of three or four players but will be playing as an **individual**. There is only **one winner** - the **best draw player** on the day - who is awarded the Trophy. Last year **77 players** entered, most of whom were attempting to better their best previous score in this competition, whether that was 7 or 17 or 37 or 77 or 107 points. More details will be in next week's HotLine. Meanwhile **diary the date**, and free up the afternoon of Saturday 26th November, to play in this **unique** and iconic **Burnside event**.

Sunday 27th November: Tweed Coasters Tour

Be an **international** player for an afternoon! Burnside will host the **Tweed Coasters Tour Party** from **Australia** on Sunday afternoon, 27th November. This event was originally programmed for Monday 28th November. Please **note the change**.

The Tweed Coasters are bringing **9 women and 9 men** players in their party and have asked us to match this number. This is a **social event** but the Tour Party wishes to play for a Trophy which they will provide. **After match refreshments** will be provided and if past Australian tour parties are guides this will be a very entertaining afternoon of competitive and enjoyable bowls.

Start: 1:00 pm

Entries: Entry sheets are in the two match rooms. Cost nil!

Format: Club **uniform**. Each group of 9 women and 9 men will play as a pair, triple, and a four or as three triples (to be finalised soon)

Any **queries** please contact **Ken Wilson-Pyne** at 358 2457 or kmwp@extra.co.nz **before 19th November**. All we need now is fine weather and 18 players!

Interclub Matters (from Mike Small for Selectors and Team Captains)

The posting of **teams on-line** has been in place for a **couple of years** now. Last year with AJ's help, we were all able to tick our name on-line either in **black** if going **via the club** or playing at home and in **green** if going **direct** to the away club.

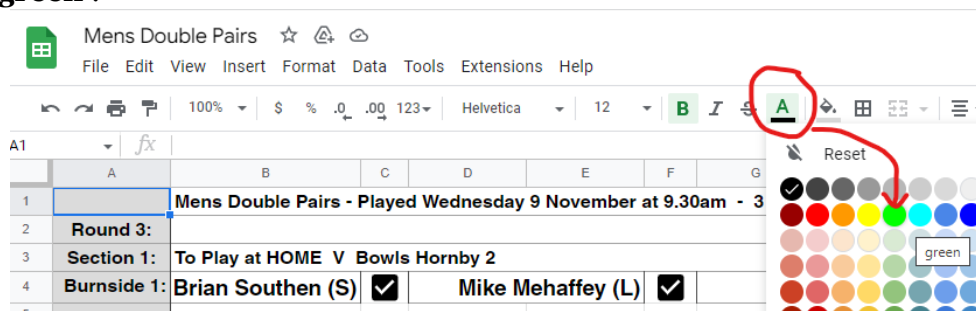

The Post Christmas competition earlier this year saw a **further change** where the selectors had the **capability** of loading the **next round** of teams **direct to the website**. The team sheets were and still are displayed on the wall in the match room. This has **created additional work** for the **selectors** and also the **team captains**, because they are required to check **both the on-line and match room** copies to ensure that the teams are complete.

Many players are **very good** at ticking their name. However some players **continually need chasing** by the team captain to make sure they are playing. We have some who tick on-line (this is preferred), some who tick on the sheet in the match room **and sadly some who don't tick at all** to confirm they are playing without being chased. This creates **unnecessary work** for team captains.

I'm therefore asking that **all members** involved in **interclub** make an effort to **tick your name on-line early**. Teams are usually posted around **5 days prior** to the date. Here's how its done:

From home or your mobile device

1. Go on line to the bowling club web site <https://www.burnsidebowlingclub.com>
2. Select the **inter-club tab** at the top of the page.
3. Select the **event** you have elected to play in.
4. Click on the **empty tick box** next to your name and a tick should appear in 'black'. If you have an **away game** and are **traveling directly** to the venue please **change the tick to 'green'**.

At the Club

1. There is a **computer** in the corner of the **match room** where the draws are normally pinned.
2. If the screen is **blank** give the **mouse a shake** to wake it up. You should then see either the **inter club home page** or team sheets.
3. If it is one of the team sheets you see but not the one you want (someone else has been there doing the same thing but in a different competition or team) click on the **Burnside tab** at the **top left** of the screen.
4. Follow steps 3 and 4 above (from the at home instructions)

The selectors and team captains are asking that you **get familiar with the on-line process** because the team sheets will **NOT** be posted in the match room from the start of the **Post-Christmas** competitions in **2023**. If you are uncertain how to do this, **please ask a friend** to assist.

Many thanks for your **co-operation**.

Community, Fun and Inclusion

Community, Fun and Inclusion were the three key words on display at the **Riccarton Racecourse Bowling Club** on Sunday. The Racecourse Club recognise that bowls is **much greater** than just being a sports activity. Even though they were playing their club singles **they welcomed** members and their whanau from the **Canterbury Downs Syndrome Community** to come and be part of their community and use their carpet green for a fun couple of hours of having a go playing bowls.

Because the Riccarton members were busy, the community of the **Burnside Club** came and **hosted the visitors**. The smiles and laughter from everyone taking part was a great measure of the enjoyment that occurred.

We **adapted the game** to allow for everyone's capabilities and the day was such a success we are **going to repeat it** in the new year. **Thanks to everyone** involved.

If anyone would like some **suggestions** as to how to **host** any friends from **any disability** area please be in touch with **Kevin Smith** at Kevin@bowlsnewzealand.co.nz or **Sally Mackenzie** at Sally@bowlsnewzealand.co.nz

Fun for all is guaranteed.

Keep Healthy and Safe over the Summer

Our first responder, **Kylie Joy**, has been keeping the **first aid kits** replenished and has the following **advice** for staying well in what is likely to be a **very hot** summer.

1. In the **first aid kit** in the **women's** locker room there are now **glucose tablets** for anyone who is experiencing hypoglycaemia (**low blood sugars**). There are quite a few **diabetics** in the club, and giving them fast acting sugar when they are **feeling faint**, may stop them from becoming very sick very quickly. These **tablets** are **chewed** and do **not** need to be dissolved in water (they are raspberry flavoured).
2. Remember to **hydrate** and eat plenty of **carbohydrates** when you are playing. In the **first aid kits** there are **cooling towels** which you run under cold water and put around the neck. There are also **plenty of ice packs**. This can reduce the incidence of heat exhaustion or **heat stroke**.
3. Kylie is part of a St John trial of a personal **portable AED**. If she is at the club and someone has a **cardiac arrest**, then she would **like to use** the portable AED rather than the clubs AED. The **trial AED is extremely useful** and has a great rate of success in reviving patients prior to the ambulance service arriving on scene.

If you have any **suggestions** for other items that we could stock, or **questions** about the portable AED, get in touch with **Kylie** 027 772 1064 or boomer_kyliejoy@hotmail.com
