Interclub

This Weekend

There will be **NO INTERCLUB** this coming weekend (**26th Nov**) as the **Centre Triples** will be played both days **this weekend**.

As result of our rain affected weekend there will be a **double round** the following weekend.

- **Round 5** will be played at **9:00am** on **Saturday 3rd December**
- **Round 6** will be played at **1:30pm** on **Saturday 3rd December**.

Players who were listed to play Round 5 last Saturday (19th) will play at 9:00am on Dec 3rd (unless unavailable). Those players who were unavailable last Saturday (19th), will play Round 6 at 1:30pm.

Please check the team sheets carefully for your playing commitments.

Bowls Canterbury has said some **venues** may **change** because of travel between the two rounds, but **skips** will be **individually notified** if that happens.

Website and Unavailability

With the move to streamline interclub further, a **button** has been added to the **Interclub page** on the website. All players can go to this button and record their unavailability by adding their **name**, the **date** unavailable and the **event** involved.

This facility is **available now** and will replace the sheet in the match room after Christmas.

If you are in doubt about the changes, please contact any of the selectors to assist you.
