Tidying up after Interclub

A **message** for **all** our members from **Brenda** and her **Team**

If you are playing **at home** please help **clean up the kitchen** after your game.

The **cups** need a **rinse** in water, a wipe with a cloth to remove stains, and then they should go through **the dishwasher**. Ask for a quick (free) **lesson** relating to using the dishwasher if you are unsure – it is simple to use. **Brenda, Kazumi**, and others would be happy to show you **what is involved** and where to find things in the kitchen. A **wipe** down of the **tables** is also helpful.

We really **appreciate** and **thank** all the people who have been **helping** during the season so far.

Fly Fishing Demo

Is there any truth to the rumour that there were fish in Lake Burnside in the dim dark past?

The **Canterbury Fly Fishing Club** have an expert fly fisherman from America demonstrating the art of fly fishing at Lake Burnside (aka the club) on **Tuesday night**.

What will he catch? A Nor Wester or a Southerly or a hard luck or other story or a Trout?
