## Inter Club Scorecards (Important)

Bowls Canterbury have recently had issues with **scorecards** being **completed** and **signed incorrectly** - usually with the **scores** written in the **wrong column** under the **wrong names**.

The Bowls Canterbury **Umpires Association** have **discussed** this issue **comprehensively** and have issued this statement:

- **Skips** are responsible for keeping the score card for their game, and for signing it at the completion of the game.
- Once the **score card** is **signed** by **both skips** and handed to either the umpire or the controlling body, it becomes the **official record** of the game and stands as the final result of the game.
- In future, if both the skips sign a card that has an **incorrect result**, which is then handed in to the umpire or the Controlling body the **score card result will stand as the final result** and will **not be amended**.

**Please**, please always **double check** your cards **before** signing them!

## Course for Markers

It's **been a while** since our last marking course and several **newer members** are already stepping forward to help the club. With the upcoming **National Inter Centre tournament**, Burnside will be headquarters for the whole operation and expected to field a **quality team of markers** with **considerable numbers** required.

So, it's time for **seasoned markers** to have a **refresh** if they would like to, and **newer members** to **learn** the **important** aspects of **marking**.

If you are **interested in a course** (1 to 1½ hours) one evening, please contact **David Conroy** with your preferred evening. [david.conroy1944@gmail.com](mailto:david.conroy1944@gmail.com) 021 069 2625

## Introducing our First Year Players

### Liz Reese

I moved to **Christchurch** to be **nearer family** and the family bach in the **MacKenzie** country, and also to lose the Auckland mortgage.

After a **couple of years** settling in I decided it was time to meet some new people and have some fun – Burnside Bowling Club seemed the logical answer and so far so good.

I've recently started a new job at **Luisetti Seeds** in Rangiora as their **finance** person. Another way to meet people and to use my rusty brain. I worked in the **disability sector** for the previous **10 years** so this is a completely different challenge.

I enjoy **meeting** people, **travel**, food and wine, the occasional **gin** or **single malt**, live **music** of most genres and **sport** – normally watching but now I'm enjoying taking part in bowls. Thanks BBC for **welcoming me** to be part of your wonderful club.

## Thank You from Bowls Canterbury

**Lorraine McLeod**, General Manager of **Bowls Canterbury** wrote to the club recently to thank **Burnside** for hosting the **Super Sixes** last weekend.

She would like to thank:

- those who helped with the **lunches** and for keeping tea and coffee available
- the **markers** who coped with the exceptionally hot weather
- the **greenkeeper** and his helpers for preparing such amazing greens
- the **umpires** who kept the games going
- the people in the **bar** who kept people watered and **everyone else** who helped with the event

She also made special mention of:

- **Margaret Gray** for **finding markers** for both Burnside and Fendalton, and
- **A.J. van Hasselt** for keeping the draw and **results** up to date.
