Interclub

From the selectors

Interclub gets underway **this Saturday** with Women's, Men's, Under 5's and Any Combination teams playing at Burnside and around the Christchurch greens. There will be **17 rinks** in action this week at **Burnside** and if you have indicated **Saturday play as a preference**, then you should **check [here](#)** where you are playing and who is in your team.

Burnside 1 of the **Men's 3x4's** are the **duty team** this week which means they need to **arrive about an hour before** to set up mats, jacks, chalk, hot water urns, biscuits, cups, tea and coffee. Duty teams will be rotated.

Remember to **tick your name [on-line](#)** and, if you are **going direct** to the AWAY green, then change the colour of the **tick to green**.

Team captains (shown in red), **please ensure** that all players (3, 4, 8 or 12) have also ticked their name as **available**. Know how many are travelling from the club at the stated departure time. If **someone is unavailable** then please **contact the selector** for assistance.

Midweek interclub does not start until **after Labour weekend**, but the teams have been posted to the website in most cases. The **evening games** are mostly played with the whole section at **one green**. This means if you are **at Burnside**, your team will be **hosting**, and you will be required to **assist** with supper etc.

Finally, if you know in advance that **you will be unavailable** for a game day that you have committed to, then please go to the [Player Unavailability](#) link on the Interclub page of the website and record your absence **at least 7 days in advance** of the playing date.

All the best to everyone and **enjoy your bowls**.

Club Championships

First Final 2023/2024

Sunday October 15 at 2:00pm will see Lyn Martin and Ken Stevens take on Andy Cockcroft and Wayne England in the **Mixed U8 2x4x2 Drawn Pairs**. If you're at a loose end Sunday afternoon, get down and watch some of our talented U8 players in the final.

Entries closing

- Women's Club Singles, Pairs, Triples, Under 5 Singles this **Saturday** October 14.

Completing games

Some of you will be involved in competitions that require games to be played by your **own arrangement**. Please play games **before the "played by" dates** on the charts and if you're heading away, please try to play ahead, so others are not kept waiting. **Delayed games** should **apply** to the respective **match committee** for an extension or risk games being **scratched**.

The **deadline** for having **Men's Club Fours** games completed is **Sunday October 29**. There will be **no extensions** (other than weather), and **post section games** will go ahead as planned on **November 4**.

Fortitude Games Lotto Ticket Holders

This ticket keeps on giving! Last week 3 numbers in a line emerged on the official ticket for the day. This means we have **one whole ticket** left this **Saturday** (from the original ticket) and a **guaranteed interest** in the draw on **October 21** (from the second ticket). **Confused?** Don't be. The sponsor thinks he knows what he is doing ... even if each **share** has **dropped in value** from \$1.46 to \$0.86.

Last Saturday more than **30 bowlers** braved the **rain** (for a second week in a row) to play **Festival Bowls**.

Three Steps to Life

Date: Wednesday October 25

Time: 6.30 pm

Cost: Free

Contact: Kylie Joy, 027 772 1064, boomer_kyliejoy@hotmail.com

- Want to be **able to assist** those around you in the unlikely event they need your help?
- Want to learn about **how to use an AED** (fancy term for defibrillator) and have all those myths and fears busted about what it can and can't do?

Go no further.

St John have kindly agreed to come along and teach the "**3 Steps to Life**" program to members of the club. The program is **designed for everyone** - not just those who have "good shoulders and knees".

There is no cost, other than perhaps **an hour or so** of your time, to **learn the basics of CPR and using an AED**. The best part is, not only does the club have the necessary equipment to perform both CPR and use an AED but, **you may save a mate's life** one day!

If you are keen to come along on the night, can you please text/contact **Kylie Joy** on 027 772 1064 or send her an **email** at boomer_kyliejoy@hotmail.com as an expression of interest. This is so that we can let the instructor know roughly **how many people** will be attending to ensure that they have the right **number of instructors** on the night.

Rotary Shed Tour

Rotary Ōtautahi Passport Club's are holding this fundraiser on **November 4**, from 9:00am – 4:00pm. The tour has **11 plus sheds** of interest to both **males** and **females**. It is like a garden tour but instead of looking at gardens you get to experience what is behind the closed doors of **hobby sheds**. You can get **further information** and **buy tickets** for this fundraiser at Humanitix.

Bar

Can we **please** ask that when your **group is finished** with the table you're sitting at, that you **tidy up** after yourselves by grabbing a wet **cloth** and some cleaning **spray** from the sink area in the bar and **give your table a clean**. No one likes to come in the next day to beer stains on the tables. If the **chairs** could also be **left tidy** that would help. It's a small request that only **takes a minute** but makes such a **big difference** to anyone coming into the lounge after you. **Please and Thank You**.
