Fortitude Games Lotto Ticket Holders

The **journey is over** and the dream has ended for now! We have no interest in the 21 October draw as the 4 line special was drawn last week with no return. The main ticket caused a flutter as we had 4 and 6 - the first 2 numbers in Row P, then 8 instead of 9, 13 instead of 12 and 37 instead of 36. **So close but so far**.

Sorry to say but your share is now worthless. **Better luck** if there is a next time.

Interclub – gentle reminder

A reminder for all interclub players to **please tick** your name as **early as possible**. Teams are usually published **five days** before the playing date. Please consider your team captain, who needs to follow up on those who have not ticked by 5:00pm two days prior to play.

Also, if you know of your **unavailability** in advance, please update the [Player Unavailability](#) sheet under [Interclub](#) on the web page.
