Time: 1:30 pm. Register in the dining room between 1:00 pm and 1:20 pm.

Bar

From Friday, we are putting a **Zeffer Hazy Alcoholic Lemonade** on tap for the busy summer period. If you're looking for something refreshing on a hot day, give it a try.

There will soon be some **Zeffer Alcoholic Ginger Beer** in bottles in the fridge to try. This will replace the Isaac's Cider 50% sugar range which is being phased out

As people's **tastes change**, you can expect **other drinks to pop up** from time to time. The club is here for its members so if there is **something that you would like** to see us sell, speak to **Hamish Wilson**. We are always happy to trial things, and if they prove popular, then they may get added to our permanent range. There are some **contractual restrictions** on what we can stock but if you never ask, then you never know.

Sue O'Kane, Lois Harper, Gaye Bunting and Philippa Johnson keeping tabs on their men.
