## Bar Price Increases

Late last year the club was advised by our biggest supplier **Lion Breweries** of upcoming **price increases** which will take effect on **February 26**. The price increases vary from product to product but average **5% for beer** and **8% for wine**.

The club has undertaken a **full review** of its bar pricing and advises that the **following products will increase in price**, effective from February 26.

- Emerson's Pilsner (Handle increase .50 cents / Jug increase \$1)
- Panhead supercharger (Handle increase \$1 / Jug increase \$2)
- Guinness (Guinness glass increase \$1)
- Zeffer Alcoholic Lemonade (Handle increase \$1 / Jug increase \$2)
- All White Wine & Taylor Shiraz (Glass increase .50 cents / Bottle increase \$2)
- Gordon's Gin & Tonic (increase .50 cents)
- Gordon's Gin & Soda (increase .50 cents)
- Canadian Club (increase .50 cents)
- All Spirits (double increase .50c / single increase .50c)
- Tonic water, Soda water, Ginger Ale (increase .50 cents)
- Ginger beer (increase .50 cents)
- Lemon lime bitters (increase .50 cents)

The club has **tried hard to limit the increases** where it can but as these increases have a **direct financial impact** on the club, we are left with **little choice** but to pass them on.
